

40th Annual

SAN DIEGO HOME/GARDEN LIFESTYLES

ENTRY FORM

Have you seen a house in San Diego County that should be one of our Homes of the Year?

This is your opportunity to give that home and its architect, designer and homeowner the chance to get the recognition they deserve by being published in an issue of San Diego Home/Garden Lifestyles.

The Homes of the Year contest is a professionally juried program that honors excellence in architecture, design and creative use of materials in new and remodeled residences. The contest is open to architects, interior designers and homeowners, and is free to enter.

Entries are broken down into professional and amateur categories and further break downs are based upon entries received. You are encouraged to submit whole house projects as well as any room—other than a kitchen or bath space—and design details that you feel exhibit excellence in creative design.

Fill out and sign the form below and mail it in with a description of your project and photos that best represent your spaces. (Please note: Homes cannot be for sale or rent.)

Juried winners will be published in the February 2019 issue. Readers' Choice winner will appear online (and potentially in the Feb. 2019 issue).

SUBMISSION CHECKLIST

Please check below to ensure that you have included all necessary materials for eligibility.

_____ A description of your project, including any information that you think is noteworthy in terms of the home's style, process, materials used, challenges faced, etc. (We love a good story!)

_____ Printed images. We strongly recommend professional photography on photographic paper to best showcase your project, as this can make a difference in how your work is perceived by the judges. If you are submitting a whole house, include at least an exterior shot of the front of the structure (not necessary for condos). If you are submitting a remodel, send a before shot of the space(s).

_____ Floor plans, where applicable, are helpful but not required.

_____ The signed entry form with terms and conditions.

If your project is selected for publication, you will be required to submit a list of resources (i.e., architect, interior designer, contractor, suppliers of materials and services). Such list will include the individual's name, business name and phone number and website.
